### **ABOUT SERVICE LEARNING TOURS**

On a Service Learning Tour, you and your students work side by side with locals on community-driven projects in Africa, Asia or the Americas. EF partners with established non-profits and NGOs—such as the Mariposa Foundation and Free The Children—to make sure your contributions are both meaningful and sustainable. Through hands-on work and deep exposure to the local culture, students learn vital collaboration and problem-solving skills. They return inspired to make a difference at home, too.
